## PURPOSE OF Farm in the Dell

1 John 4:7-12 reads, "Beloved, let us love one another, for love is from God; and everyone who loves is born of God and knows God. The one who does not love does not know God, for God is love. By this the love of God was manifested in us, that God has sent His only begotten Son into the world so that we might live through Him. In this is love, not that we loved God, but that He loved us and sent His Son to be the propitiation for our sins. Beloved, if God so loved us, we also ought to love one another. No one has beheld God at any time; if we love one another, God abides in us, and His love is perfected in us." (NASB)

The purpose of Farm in the Dell Homes and Services for the Developmentally Disabled, Inc. relates these truths to the specific responsibilities of the Corporation. It is...

## "To express God's love for people with developmental disabilities by meeting their spiritual, emotional, physical, social and intellectual needs through a group home and related services."

The Farm in the Dell Home is not simply a training or pass through program, but rather a place a person can make a permanent home. The program offers a Christian living and learning experience in a farm setting. Residents participate in the daily activities and maintenance of the garden, animals and home. An on-site, community based work activities program provides vocational training and community service. Regular participation in local churches and daily devotions and prayer support the spiritual and social needs of the residents.

## STATEMENT OF FAITH

We believe the Bible to be the inspired, the only infallible, authoritative Word of God. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe that he Gospel is for everyone and that we are commanded by God to share that Gospel with every living soul. We believe that this mission is carried out through the spoken word and through the living example of Christ's indwelling presence in acts of love and compassion
